LIQUID GRANITE FOR FLOORS

If you are having any trouble with the finish on your floors, or are not entirely pleased with their appearance, it is certain you have not used LIQUID GRANITE, the finest floor finish ever introduced.

It makes a finish so tough that, although the wood will dent under a blow, the finish will not crack or turn white. This is the highest achievement yet attained in a Floor Finish, and is not likely to be improved upon.

Finished samples of wood and instructive pamphlet on the care of natural wood floors sent free for the asking.

THE INCREASING DEMAND

FOR THE SMALL GRAND PIANO

Proves its popularity. The reason is not far to seek. Its cost is no more than the larger style of Uprights. The Grand action and tone are preferable to the Upright. The little extra room required is only at the keyboard end, while its artistic appearance more than compensates for that small disadvantage. We speak now of the

Chickering

QUARTER GRAND

The only piano of such small dimensions.

Made now in two sizes: Style R, 5 ft. long; and Style A, 5 ft. 5 in. long. Both just wide enough to admit the full $7\frac{1}{8}$ octave keyboard.

Chickering Pianos are made only by CHICKERING & SONS, Boston, and are sold in Chicago only by

THE FOX TOUCH TYPEWRITER

**Let us prove
what we claim
at our expense**

There is only one way to prove anything about a typewriter, and that is an *actual test* of the machine itself *in your own office*.

That is what we want every possible purchaser of a Fox Typewriter to do before he buys.

When we say the Fox Typewriter can be operated with from 25 to 100 per cent. less energy than any other typewriter, it doesn't mean anything to you unless we can show by this saving that it will enable you to reduce the cost of typewriting in your office, give you a better grade of work and save you a vast amount of worry about repairs. When we show you *that*, you are interested.

We have proved this to some of the most discriminating buyers in the country. Seventy-five per cent. of our sales are made under just such circumstances.

If we can prove it to you, you want our machine.

Remember we *prove this* at our expense. All you have to do is say you are interested, no matter where you are.

the use of Platt's Chlorides costs nothing by preventing sickness and expense. It does not cover one odor with another, but chemically removes the cause.

Platt's ***Chlorides*** ***The Odorless*** ***Disinfectant.***

A colorless liquid, which instantly destroys foul-odors and disease-breeding matter. When diluted with ten parts of water for household use, *it costs less than 5 cents a quart.* Sold everywhere in quart bottles. Prepared only by Henry B. Platt, N. Y.

THE DAINTIEST SOAP MADE is HAND SAPOLIO for toilet and bath. Other soaps chemically dissolve the dirt—HAND SAPOLIO removes it. It contains no animal fats, but is made from the most healthful of the vegetable oils. It opens the pores, liberates their activities, but works no chemical change in those delicate juices that go to make up the charm and bloom of a perfect complexion. Test it yourself.

THE FAME OF SAPOLIO has reached far and wide. Everywhere in millions of homes there is a regard for it which cannot be shaken. Sapolio has done much for your home, but now for yourself—have you ever tried HAND SAPOLIO, for toilet and bath? It is related to Sapolio only because it is made by the same company, but it is delicate, smooth, dainty, soothing, and healing to the most tender skin. It pleases every one.
